### PRODUCT DESCRIPTION

The iBar Friends of Hue collection features aluminum channels anodized in your choice of Brushed Aluminum or Brushed Black. The pendants support a solid block of Clear acrylic which creates a dramatic lighting effect. Entertain with 96 million color combinations or enjoy the health benefits of a regularly changing color temperature to suit the mood of the day. With Philips Hue technology, you can program a variety of themes for the ultimate in convenience, health, security, and entertainment.
