Larkin 1 & 2

New Collections

Edgy with undiluted style, Larkin is making its statement. The classic beveled bar pairs perfectly with a defined squared foot to create a look that will complement any style of cabinetry. In addition to five standard pull lengths, Larkin offers two appliance handle lengths (12" and 18") and a coordinating t-knob. Captivate and inspire with five solid finishes (Larkin 1), or opt for something moody and expressive with four mixed options (Larkin 2).

To add even more drama, pair Larkin with its sister collection Spencer, featuring a clear acrylic bar, for an iconic edge no one will forget.
